# How to Code Types of Training for Performance Reporting

This chart displays types of training (for WIOA Adult, Dislocated Worker, and National Dislocated Worker Grants) and how they align with codes for the Participant Individual Record Layout (PIRL)

<sup>\*</sup>Must be combined with other allowable training to be provided by WIOA Adult/DW Individual Training Account (ITA) funds.

<sup>\*\*</sup>Training programs operated by the private sector must be reporting in PIRL 1333 and at least 1 type of training (PIRL #1303, 1310, 1315).

<sup>\*\*\*</sup>IWT is not an allowable type of training for National Dislocated Worker Grants.
