

# Maximizing WIOA and Non-WIOA Performance Data Cohort Application Information

Thank you for your interest in applying to participate in this important work of exploring the opportunities and challenges around maximizing WIOA and non-WIOA performance data. All States and territories may apply. Interested States must submit responses to the questions below (using our [online application](#)) in order to receive consideration during the application review process.

## Briefly respond to the following questions (in 350 words or less):

1. Describe the efforts that your State has made to demonstrate programmatic success and challenges using WIOA and non-WIOA data?
2. Collectively, what do the core program agencies and participating partners, represented by your State team, want to gain from being a part of this Cohort? (*Please include any challenges you hope participation may help you address within your State.*)
3. Will your entire State Team be able to participate in all of the planned Cohort activities described in the “Timeline of Cohort Activities”, including an anticipated in-person meeting to be held in Washington, DC? (Note: The Departments of Labor and Education do not anticipate providing funding for travel, lodging, or meals.)
4. List the name, title, organization, e-mail, and phone number of each State Team member, and indicate the main point of contact. Teams must include a representative from:
  - Titles I and III (adult, dislocated worker, youth, Wagner-Peyser),
  - Title II (Adult Education), and
  - Title IV (Vocational Rehabilitation).
  - **Up to two optional** representatives of the State’s choice (such as a board, WIOA partner program, agency staff member, or other appropriate state partner).

## Submit your application.

Please submit completed responses using our [Online Application](#).

Applications are DUE:  
**December 7, 2018.**

Selected State Teams will be notified by early January 2019.
